RE: Case No. 2005-00548/Mark Grant

Dear Mr. Pinney,

Thank you for your attention on this matter with Verizon Wireless.

The following is in response to the fax and PDF file which we retrieved from your internet site, date 06/29/06(which you received on July 18th, 2006) indicating that our balance on all accounts with Verizon is now \$0.00.

We accept their offer with respect to the account balance(s).

However, we would like to note that Verizon did not contact us on the offer. We only learned of their offer from the Public Service Commission.

Thank you, again in helping to resolve this matter.

Respectfully,

Mark Grant
